INDEPENDENT AUDITOR'S REPORT

To the Members of the Manawatu Racing Club Incorporated

Report on the Financial Statements

We have audited the financial statements of the Manawatu Racing Club, which comprise the Statement of Financial Position as at 31 July 2015, the Statement of Financial Performance and Statement of Movements in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

Committees' Responsibility for the Financial Statements

The Committee is responsible for the preparation and fair presentation of these financial statements in accordance with generally accepted accounting practice in New Zealand (Old GAAP Differential Reporting) and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing (New Zealand). Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other than in our capacity as auditors of RACE Incorporated, we have no relationship with, or interests in, the Manawatu Racing Club.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Manawatu Racing Club as at 31 July 2015, and its financial performance for the year then ended in accordance with generally accepted accounting practice in New Zealand (Old GAAP Differential Reporting).
