CHAIRMAN'S REVIEW

RACE Chairman's Address

It is my pleasure as Chairman of RACE Incorporated to report on the financial year 2014/2015.

In financial terms the year has produced a comprehensive income profit pre depreciation of \$404,978.

In a trading operating only sense this relates to an operating loss of (\$190,220).

While this is an operating loss it is a major step forward on our journey.

Only two years ago we were looking at a budget operating loss of worse than (\$500,000) before depreciation.

We have worked this back to last year's operating loss of (\$395,405) and now to this year's result of (\$190,220)

Our Budget for 2015 / 2016 is for an operating profit of \$137,000 so if all goes to plan we can be very pleased with progress.

Despite this progress the road is difficult with cash flow our continuing challenge.

Having said that we are determined not to shy away from trying to continue to improve ourselves.

With limited resources we have still managed to make a number of significant improvements across all our venues.

At Awapuni we have developed a comprehensive Master Plan for the future of the venue that has gained Palmerston North City Council buy in.

We have just completed the new inside top bend that will make Awapuni the first racecourse in New Zealand with two turf racing options with a short course and a long course similar to Kranji in Singapore and Sandown in Melbourne.

Across the site we have improved the overall appearance significantly, opened the hugely popular Wellfield Owners Room and have just started on the refurbishment of the Memorial Fountain and development of the surrounding gardens.

At Otaki we have invested in improved drainage infrastructure and irrigation that is already seeing terrific improvements.

Coupled with new electric entrance gates, Otaki is looking an absolute picture and is a credit to the small but dedicated team that take such great care of this venue.

Trentham has also seen some exciting developments with a new rear parade ring that is not only a great safety step forward but also looks amazing.

The team at Trentham are doing a wonderful job in this very large venue and the whole place presents very impressively on a race day.

Some of the major developments at Trentham are however invisible to race goers and we have very exciting plans in place for surplus land over the back of the racecourse that will significantly contribute to our debt retirement.

As you would all be aware we have had a significant debt burden to cope with over the past few years.

I am pleased to advise that over the past 12 months we have reduced our core debt from \$8.8 million to \$7.9 million.

We have had to take on some additional relatively small debt outside this core debt but this is related to funding some property development that will reduce core debt as well as NZTR borrowings to fund the track rebuild dual surface at Awapuni.

We are confident that with the plans we have in place we will be below \$3.0 million in debt by the end of 2018.

Once we do this we will be a very profitable operation and able to reinvest in our core business as we wish to.

While we have a very profitable trading business we have a number of fixed costs that continue to be a significant burden on the business.

Interest is the major item given our debt level and we incurred interest payments in 2014/2015 of \$438,336.

Insurance and R&M are the other large fixed costs and it is a challenge to start the year off with a negative of nearly \$900,000 before we even start trading.

Again this year we had some brilliant Group 1 winners.

Shuka – Shuka defended his 2013 crown when taking out the Rydges Wellington Captain Cook Stakes for the second year running. He defeated fellow G1 winners Nashville and Pucini in a driving finish in what was a talented line up.

Sacred Star – Since crowned New Zealand's leading Sprinter. Sacred Star showed his brilliance in destroying a top field in the JR & N Berkett Telegraph. He scampered down the chute 1.07.01 and gave the opposition no excuses with an emphatic four length victory.

Puccini – Given a charmed run by jockey Danielle Johnson Puccini would defeat another G1 winner in Soriano by the barest of margins in a thrilling finish to the Harcourt's Thorndon Mile.

Savaria – In an all Central Districts finish, Savaria would provide an Awapuni trained quinella when defeating Platinum Witness in the Wellfield New Zealand Oaks. These two had dead heated the previous start when winning but on the day Savaria would have three quarters of a length to score over her rival.

Marky Mark – Northern visitor Marky Mark who would be crowned New Zealand's leading two year old left no doubt to his class with a dominant win in the Courtesy Ford Manawatu Sires with ease from Rocanto and Reminisce.

Iamishwara would cause another of the big boilovers during the season when defeating a top field to secure the Haunui Farm Otaki Maori WFA Classic. The outsider of the field would defeat Natuzzi and Julinsky Prince and prove a popular winner for Awapuni trainer Tony Kaye and jockey Robert Hannam

And lastly Gaultier – Gaultier would provide the biggest boil over of any Group One race during the season when coming with a withering run to secure the AIB Group Insurance Levin Classic from Sardaaj and Huka Eagle. Gaultier won at odds of 29-1 in the nine horse field.

I would like to thank our amazing sponsors this year.

This has been a stellar sponsorship year as our partners get closer and join us in this exciting journey we are on.

Special mention needs to be made of all our sponsors but I would like to comment on our Group 1 partners.

Thank you to Platinum Homes, Courtesy Ford, Rydges Wellington, Jeff and Noelene Berkett, Harcourts, Wellfield and Haunui Farm being our Wellington Cup and RACE Group 1 sponsors.

Platinum Homes sponsored the Wellington Cup Carnival in 2015 and we are very grateful for their support. One of the more enthusiastic partners in our stable, Platinum Homes lead by example in their branding and activation around this great event.

Courtesy Ford have come on board as sponsors of the Group 1 Two Year Old icon the Manawatu Sires Produce Stakes. It is great to have such an important member of the Palmerston North business community involved in this prestigious race. The Oaks Stud have been the most amazing sponsor partners for many years and we are very grateful for all their support. Jeff and Noelene Berkett have signed up again to the Group 1 Telegraph. This is an amazing commitment and contribution to the business and to the Wellington Racing Club. Wellfield are not just the sponsors of the Group 1 New Zealand Oaks but have also introduced a new Champion Fillies Series covering three of our best races and have supported the development of the Wellfield Owners Room at Awapuni.

Rydges Wellington have continued to support the Captain Cook Stakes and are our Wellington accommodation partner through their amazing hotel in the Wellington CBD, and Harcourts remain as one of our most loyal supporters and partners sponsoring the Thorndon Mile.

Lastly Haunui Farm have again committed to supporting the Otaki Maori Group 1 WFA Classic. In the last 3 years this race has been the highest ranking race in New Zealand on 2 of those years, and every year produces a thrilling contest.

Thanks to you all and to all our other loyal sponsors without whom we could not operate.

We are very fortunate in the RACE structure to have the contribution and support of our shareholder Committees. They contribute enormously to the overall effort and through their representatives to the overall RACE Board.

We are fortunate that our RACE Directors are highly engaged in the business and I am very grateful for their support as Chairman.

This season I decided to step down as Chairman and I am delighted to advise that Paul Humphries has accepted the position to be supported by John Turkington and Wayne Guppy as Vice-Chairs.

I am sure that with their leadership and vision RACE Incorporated will continue to be New Zealand's major racing organisation.

R Fell

Race Chairman

CEO'S REVIEW

CEO's Review

I am pleased to present my commentary on the 2014 / 2015 season and financial year.

For the 2014/2015 year we have recorded a pre-depreciation comprehensive income profit of \$404,978.

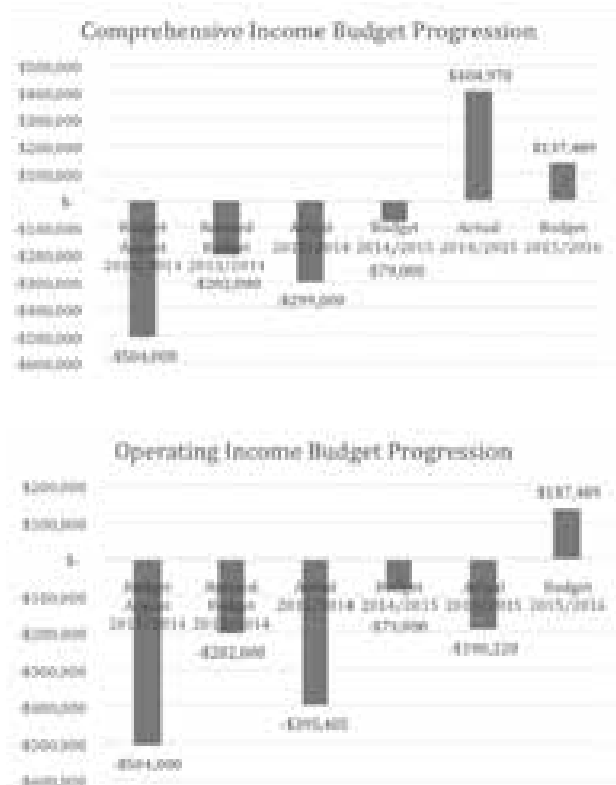

This includes the profit on the sale of surplus assets made throughout the year.

In an operating trading sense we have recorded a pre-depreciation result of (\$190,220).

As Rex commented this is pleasing progress made from the draft position of two years ago of an operating budget loss of (\$504,000) to this year's result of (\$190,220).

This compares with the budgeted result of (\$79,000) and although we didn't quite get there in trading terms we can still be pleased with the result especially when we consider that Trentham Gardens alone accounts for \$89,808 of this variance.

If Trentham Gardens had performed to expectations then we would be only \$21,476 adverse to Budget.

Our underlying trading business is sound with the race day P&L producing a surplus of \$1,770,675.

Where we have challenges is in the areas of fixed costs and overheads with interest payments, insurance and maintenance accounting for \$915,000 in annual costs for just these three items.

We are actively working on how we can reduce our fixed costs and expect to see savings in both insurance and interest this coming year as we enter a better insurance market but also retire debt on a progressive basis.

Maintenance is however a continuing issue that is difficult to overcome and a drain on the business. The reality however is that with ageing assets and a lack of resources this burden is only likely to increase.

We have made good progress with our race day and general operating costs.

Both this year and next we have made good savings in our marketing expenditure and how we operate on a race day.

We have however had a disappointing year in our Catering Divisions. Creative Catering has had a bit of an off year with profitability down 14%. I am however optimistic that the business model we have in place is sound and that this result will bounce back this coming year.

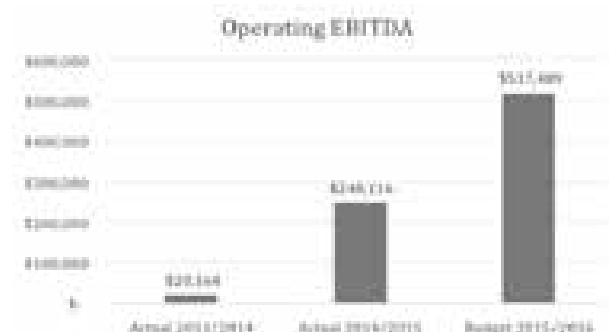

Trentham Gardens on the other hand has again disappointed with gross profitability down 51%.

We have given Trentham Gardens numerous opportunities to address its performance to no avail.

As a result we have re-structured this Division and have amalgamated both Catering Divisions under one management control structure to gain greater efficiencies of staff and resources.

As mentioned our underlying business is very sound and in an EBITDA sense we have made very good progress.

Our Budget for next year also sees a continuation of this progress with savings in many areas contributing to the result.

For next year we are optimistic that we can produce an operating profit pre depreciation of \$137,489 and an operating EBITDA of \$517,489.

This will still see us with a cash deficit in trading terms however will be a huge improvement on previous years.

It is critical that we retire as much of our core debt as quickly as possible.

Over the past 12 months we have been able to retire \$900,000 of core debt and with the plans we have in place we believe we can be below \$3.0 million in core debt by the end of 2018.

To put that into context getting to below \$3.0 million would release approximately \$240,000 back to our trading result per annum from reduced interest alone.

The only way we can make such progress is through surplus asset sales.

Over the next 12 months we are hopeful of being able to gain planning approval to develop surplus land at Awapuni as well as the Trentham land sale to Wallaceville Estates becoming unconditional.

Reducing debt through surplus asset sales is critical however we also need to plan for strategic growth as well to ensure long term sustainability of our industry and our venues.

It is no secret that the overall industry is in a relatively poor state and that strong leadership and vision is needed to improve the situation.

As a Club and even though we are the largest in the country our ability to drive such improvements is limited. We do however intend to continue to work closely with New Zealand Thoroughbred Racing and support them in the initiatives. While we don't necessarily agree with everything they do, it is important that we work together and do not fragment our efforts.

From our perspective we need to not just support NZTR but also develop and drive our own strategic direction complementary to what we believe is in the best interests of the overall industry.

As part of this we have developed a Master Plan for Awapuni working closely with the Palmerston North City Council.

Awapuni has a significant potential role to play within the industry that will assist with industry efficiency and cost.

We are hopeful NZTR will support this vision and to achieve these goals. We have been fortunate to gain external support from Kevin Pratt of Kamada Park who has made a large commitment and investment in the Palmerston North area.

Working with Kamada we believe Awapuni can be an enormous contributor to both the industry's capability as well as to the economy of the Manawatu / Central region.

While we are fully supportive of NZTR we do have some concerns over the current consolidation proposals being mooted.

We can understand and accept that in our current environment the industry does indeed need to "cut its cloth" to suit its capability.

We can also see the reality of population and horse numbers driving a greater share in the north of the country.

What we are concerned about however is that consolidation or rationalisation must also take into account the efficiencies and potential of assets with regions in a strategic sense.

We cannot accept that investment is proposed or mooted at fringe venues at the expense of strategic venue that have the potential to grow and increase industry efficiency.

In an operating sense we are pleased with how the business is progressing. As mentioned we have now made the decision to restructure Trentham Gardens to gain greater efficiencies and performance.

In our core racing business we continue to improve our on course offering and appearance within our limited resources.

I am pleased how Awapuni is progressing in appearance and amenity and Otaki's racing surface has now been enhanced and improved through the drainage work undertaken.

The new dual turf tracks at Awapuni are particularly exciting and so long as we can get funding we will rebuild the original course proper after the Courtesy Ford Sires Produce Stakes in 2016.

The beauty of having the inside bend is that not only do we have two racing surfaces but we don't lose any race days through the rebuilding work.

Wellington is also coming along well as a venue and a marketing proposition.

It is exciting that we have been able to reach a partnership with the Wellington Sevens Rugby Tournament to give Greater Wellington a three weekend two week event window of sporting magic.

As part of this we have moved our race dates and the Wallaceville Estate Wellington Cup Carnival will now be over three weekends in January.

As Rex has mentioned he is standing down as Chairman of the Race Board and passing the reins on to Paul Humphries.

I want to thank Rex for his fantastic work and contribution and support for me personally.

He has made a huge contribution to RACE and we are very grateful.

Thanks also go to the staff. When you are trying to rebuild a business you can't do so without the staff being part of that journey and making a number of sacrifices.

I am very conscious of their efforts and sacrifice to help us get RACE back to the top of the New Zealand racing tree.

A Robertson
CEO

PRESIDENT'S REPORTS

MANAWATU RACING CLUB (INC)

This year's 2014-15 season again proved a challenging season for the Manawatu RC. However I can look back on these challenges and say your Club has had another rewarding season.

Manawatu RC has continued to deliver top racedays highlighted by many of New Zealand's top horses being in attendance, this was in no small part due to the efforts & work of your Committee. The Committee must be congratulated on the sponsorships they have attained, with every race sponsored this season. Our major sponsors for the season were Courtesy Ford, The Oaks Stud, Ezibuy, Lawnmaster, Manawatu ITM, J Swap, Hotel Coachman, Kamada Park, CB Norwood, RD1 and Higgins. I thank these and all our other sponsors for their continued support of the Manawatu Racing Club.

Our Group One raceday, Courtesy Ford Manawatu Sires Produce Stakes day continues to be our flag ship event and provide the best Autumn Raceday in New Zealand racing. This year's event was no different with Courtesy Ford Manawatu Sires going to the Moira Murdoch trained Marky Mark who defeated Rocanto and Reminisce. This win would help see Marky Mark crowned as New Zealand's Leading Two Year Old at the National Racing Awards. The Group Two Ezibuy Awapuni Gold Cup saw local lamishwara defeat Jubilate and King Krovanh. Two Central District trained runners would fight out the Higgins Manawatu Classic at Group Three level in Exquisite Jewel and Werther. In December we had another successful three days of Christmas racing. The black type races were taken out by Choice, the Group Three Ezibuy Eulogy Stakes. Perfect Start would defeat local Dubai Belle in the Hotel Coachman Manawatu Cup with the Lance O'Sullivan and Andrew Scott trained Pure Champion defeating a top field in the Kamada Park Manawatu Challenge Stakes. We are delighted this race has now attained Group Two status for the 2015 running.

Awapuni trainers again performed well throughout the season. Group One wins were attained by Royden Bergerson with his talented filly Savaria. Savaria would have no luck with the weather when taken to Sydney however I'm sure more Group One victories will be coming her way. Tony Kaye won his first Group 1 with his

iron horse lamishwara who never seems to run a bad race and always gives 110%. I'm sure we will see him back in the winner's circle once he recovers from injury. We are very proud at Awapuni of these Group One victories. Lisa Latta would also prepare Platinum Witness to Group One success in the One Thousand Guineas. Lisa also attained 85 winners for the season just two less than she achieved when winning the 13/414 Premiership but this year. Although this total would see her run second behind the Baker/Forsman training partnership. This is still an outstanding effort, with Platinum Witness also winning the New Zealand Bloodstock Filly Of the Year series. This had not been achieved in the Central Districts since 2008/09 season.

Alasdair Robertson our CEO has continued to take RACE forward reducing the debt levels that have been burdening us. There is no doubting Alasdair's enthusiasm for the job and his ability to get things done. We have witnessed with new initiatives at Awapuni such as the new Wellfield Room for Owners and the Sandwich Bar in the Awapuni Lounge for Members. This all achieved while operating within our tight financial budgets. He has made my job very easy and I thank him for this help throughout the year. He is a huge asset to all the tenant clubs and also the RACE Group. Again Manawatu has contributed significantly to the RACE Group and played a vital role in its success.

May I commend Kim Treweek and Brad Childs and their staff on the presentation of the Awapuni track during the past season. They have faced many challenges during the season including flooding and it is a testament to their ability that we have been able to continue racing throughout our very wet winter, along with providing training tracks that allowed our trainers to perform to the best of their abilities.

To all the office staff my sincere thanks for your help and hard work over 14/15. We have a great team on the tracks and in the office, who have risen to the challenges faced and their efforts are appreciated.

Rex Fell
MRC President

MARTON JOCKEY CLUB (INC)

The 2014/2015 year could be considered a satisfactory year for the Marton Jockey Club. These are challenging times for the racing industry and as a Club we also had some adverse events to contend with on some of our race days. To achieve the results we did over the year reflects positively on the on-going efforts of the Club's committee and members; the incredible support of our sponsors through the year; and the work of the RACE group staff.

The Merial Ancare Metric Mile meeting in September was yet again another successful day for the Club. The Friday Farm Tour is always popular with the Sponsors and a great showcase for the diversity of farming enterprises in the Rangitikei. The Group 3 Mile was a great race with Puccini beating the Marton trained Thorn Prince. This meeting is supported by a loyal group of sponsors headed by Merial Ancare – our thanks to all of them. The work that Doug, Ken and Mary put into making this meeting an on-going success is greatly appreciated.

The Gallagher Marton Cup meeting in January again saw some great racing. Again this meeting is supported by some loyal sponsors lead by Gallagher Group and we are indebted to them. The Cup was won by Just the Tip from Maygrove and King Kamada – with the importance of this race in the Calendar being shown by Maygrove going on to win the Wellington Cup and King Kamada running second in the Auckland Cup.

The day was not without its challenges. A horse slipping in the first race and raising safety concerns resulted in a hours delay which had an effect on betting figures. The scheduling of the meeting on the 10th January also presents challenges as many businesses and families are on holiday. Next year a rescheduling of the Wellington Cup to Anniversary Weekend to avoid a date clash with the 2016 Wellington Sevens has meant the Marton Cup will again be run early in January. While this is not ideal from our point of view from a sponsorship and attendance perspective in the end the importance of the meeting as the major lead in for the Wellington Cup Carnival has to be recognised.

Our Twilight meeting in February again gave a reasonably good financial result but in reality attendance was not as good as hoped when compared to the inaugural meeting a year previously that had to contend with the consequences of the earthquake and the resultant uncertainty. Balance Agri-Nutrients and Farmlands co-sponsored this year, and we are working with Pete and his team on ways to try and develop this meeting to its potential.

Our final meeting of the year was the Business House Day which has become increasingly popular over recent years and one the Committee sees as an opportunity to provide local businesses a day to socialise and enjoy themselves. Jack and his team found the day was a bit harder to “sell” this year with a combination of some economic belt tightening, local floods, and a Hurricanes/ Highlanders Super 15 final that evening. While the day went well we need to continue to make sure the day is relevant and a “must-do” for our local businesses.

As mentioned, racing is facing many challenges and the RACE group is not immune from these. However I believe RACE is making some real progress under the leadership of CEO Alasdair Robertson. Significant progress has been made in reducing debt and within the economic constraints that exist, some progress on infrastructure has been made. Work is currently under way on the Awapuni track that once completed should be very beneficial to all the meetings that the MJC runs. Al is supported by the teams in the RACE and Creative Catering offices and I want to acknowledge their on-going efforts and dedication.

Tony Heywood is standing down from the committee this year and I want to thank Tony and Nat for their many years of involvement with the Club – in recent years this has involved Tony commuting from Hawkes Bay to attend both race days and committee meetings.

During the year the Club lost one of their Honorary Members with the passing of Hamish McLean – a regular attendee of our meetings and a stalwart of our Club he will be missed by his family and many others.

In closing I want to acknowledge and thank the committee for their support and efforts in my first year as President – especially my vice-Presidents Ken and Jack. Thanks again to our many loyal sponsors for their support of our Club, plus the Trainers and Owners who bring their horses to our meetings. My final thanks are to my wife Di for her support during the year.

Mark Gilmour
MJC President

PRESIDENT'S REPORTS CONT.

FEILDING JOCKEY CLUB (INC)

The Feilding Jockey Club had another successful season, running its three annual meetings while the industry still faces tough challenges and direction. While the main target is to increase stakes there are still too many race meetings being held putting a lot of pressure on clubs to sustain the viability of these meetings.

While the RACE group still faces tough challenges in debt reduction, it is pleasing to see land sales around the group which help reduce this debt.

It will take time to reduce the debt but it is heading in the right direction. Al Robertson, the CEO of the RACE group, has to be acknowledged for his tireless work and effort in running the group and getting the group debt down.

The first meeting of the season is our premier day, the Feilding Gold Cup, a \$50,000 listed race. A good crowd was in attendance with all rooms sold and good walk up numbers.

I would like to thank Ricoh our major sponsor of the Feilding Gold Cup. The race was won by Anniestar, trained by Gary Vile and ridden by Vanessa Johnson. Second was Little Alfie Brown and third was Mungo Jerry. This day also has the running of the Courtesy Ford Redcraze Bowl which was won by McLaren trained by Kevin Gray and ridden by Chris Johnson. The meeting made a profit of \$47,780 on a budget of \$49,281.

I'd like to thank all the sponsors that make this day a great success.

Our next meeting is normally on Anzac Day but when it falls on a Saturday our club has to race on the Monday following. The Manawatu ITM Anzac mile is our feature race on this day and was

won by Lady Le Fay trained by Paul and Kris Shailer and ridden by Michael Coleman. The meeting made a profit of \$31,363 on a budget of \$28,105.

Our last meeting of the season is an industry day held at the end of May. While this day is not a highly profitable day the club still made a profit of \$12,893 on a budget of \$14,095.

I would like to thank Mark Pickford for making this day a success by promoting it as a building industry contractor's day with great support from businesses in and around Feilding.

To make a successful jockey club there is a lot of hard work done behind the scenes and I would like to thank our committee including their wives and partners for their effort, plus in particular our sponsorship manager Mark Pickford who does a great job to make sure our race days are fully sponsored.

The FJC would like to thank all our sponsors who have supported the club in the last season. Your sponsorship is invaluable to us both from a funding point of view and a social perspective with the people you bring along to these days.

The FJC would like to thank all the hard working staff at Awapuni for making our race day run smoothly.

Once again thanks to all involved in the Feilding Jockey Club and I look forward to the coming season.

Darrin Holm
FJC President

RANGITIKEI RACING CLUB (INC)

The Rangitikei Racing Club had an excellent 2014/2015 season.

The Rangitikei Racing Club held two very successful meetings during the season. The first being our November raceday this was the second time our Club have been part of the national "Xmas at the Races" franchise which was held on a Saturday instead of a weekday. The November meeting had a profit of \$42,316 against the budget of \$30,609. This was a fantastic result and I am sure that this trend will continue this year. The Bulls Country Cup, was kindly sponsored by Bayleys for the first time. We appreciate their involvement and hope that it will be a long and profitable association for both parties. The Cup was run over 2100 metres and was won this year by Costal Express trained by Karen Zimmerman, Authentic Paddy and Jubilate filled the minor placings.

Our main meeting in May saw the running of the James Bull Rangitikei Gold Cup over 1600 metres. This race has a long standing sponsor in the Bull family, we thank them for their continued ongoing support of the club. The Bull family have guaranteed a minimum stake of \$50,000 for this race for the next couple of years. The Cup was won by Danza Lad, trained by Rudy Leifting from Duffers Creek and Taurus. The race day produced a profit of \$49,643. against a budget of \$52,405. The Race day was badly affected by weather with the decision to proceed only being made at 7am on Race day. This adversely affected the crowd and the result clearly shows the importance of sponsorship which strongly underpinned the result.

The financial results achieved reflect the hard work of the Committee and the continued loyal support of a number of sponsors. We continue to attract new sponsors to the Club and strive to maintain our existing sponsors. My stated aim is to have two sponsors per race, outside the main races.

The Rangitikei Racing Club is part of the RACE Group and is fortunate enough to share in the services and support of the RACE staff. Our CEO Al Robertson continues to provide the standard of leadership required to take the RACE Group forward. I always say that the measure of a man is someone who is keeping their head, when everyone else is losing theirs. His strategic approach

will ensure the viability of the Group long into the future. He is ably supported by his staff. In terms of Rangitikei, I would like to thank Brent Wall, who comes religiously to our meetings and Mel Treweek. Both are obliging and supportive of our Club and are more than happy to promote Rangitikei at every opportunity. We thank them for this.

We now have two women on the Committee, being Lisa Scotland and Sue Foley. Both these women are welcome additions to our Committee. We welcome more feminine additions if they can put up with the antics of their male counterparts.

I would like to thank the support of our Committee's wives and partners have shown during the course of the year. Their contribution is acknowledged and appreciated. I am hopeful that they will become more involved in running the Club in the future. In fact it would be nice to see them replace some of their husbands. The voluntary time put in by our Committee is significant and our Club strives to make our Race Days a District social event with the emphasis on getting as many people from the Rangitikei hinterland involved as possible. I would like to thank my Vice Presidents Tim Harris, Bill Jamieson and Nick Whisker for their support.

The Racing industry is going through many changes and I believe that the RACE Group through their collaborative approach has set a template for others to follow. There are over 50 racing venues in New Zealand and many of them are operating out of substandard depreciating facilities. There has to be rationalisation. I hope that other clubs will join RACE in a move to facilitate this. This has been my second year as President and I have thoroughly enjoyed it despite having to put up with some of the members of our Committee.

I think that we can all look forward to a healthy and positive future with Rangitikei as the number 1 Club in the country.

John Turkington
RRC President

PRESIDENT'S REPORTS CONT.

OTAKI-MAORI RACING CLUB (INC)

The 2014/ 2015 Season has been a tough one for the Otaki-Maori RC. The season began with the club running its August Saturday raceday at Awapuni due to inclement weather. During the season our Patron Arthur McGill passed away, this was a huge loss for the club, not only with Arthur being the Clubs Patron but prior to his short illness Arthur put in endless hours helping the team at the track, he will be missed.

The highlight of the racing season was undoubtedly the Haunui Farm Group 1 Weight for Age Classic. The Club would like to thank Mark and Sara Chitty at Haunui Farm for their tremendous support of our flagship event. The field was once again the absolute elite of the country's equine athletes, this year won by an outsider in the Awapuni Trained lamishwara.

We are very pleased to announce that Haunui Farm will once again sponsor our Flagship event in the coming season. Without their very generous support of the Club, not only by way of sponsorship but also in hosting their Central Districts clients at the course on the day, we would not be able to run such a prestigious race. The Club would also like to acknowledge the great work by Haunui Farm's Marketing and Operations Manager Shannon Taylor in assisting with the lead up to the Raceday and the event itself.

Another highlight of the day was performances by the Patea Maori Club including an encore performance of their best known hit "Poi E". The atmosphere that this created including a couple of trainers and jockeys joining in was amazing and we will have to look to build on this for the coming season.

The Club has been unfortunate with the weather, during the season and looking at the rainfall figures at the track between May and August highlights the issues that we have had to overcome. Rainfall in the period has previously been 359ml in 2013, 399ml in 2014 and a massive 580ml this season. This rainfall has led to particularly wet tracks through the winter period.

The Club has also seen further significant drainage work undertaken at the course this season to rectify drainage issues in the back straight, as a continuation of the drainage work undertaken last season and should see some significant improvements in the track once the rain finally stops.

We would like to make special mention of Farmlands, Clark & Co. Realty and Mediaworks who have been great sponsors this season, plus The Dominion Post, and Long Time Supporter Pat Baker from El Cheapo Cars for his long term sponsorship of the iconic Raukawa Cup.

Melbourne Cup Day continues to grow and this season was our third running of the event. We are hoping this day can take another step forward and cement itself in many local calendars it really is a great day and it truly does stop the nation.

Our Family Day once again attracted a large crowd and really is a day the Club can be truly proud of. The large amount invested in Free Children's entertainment is more than paid back by the feedback the club receives from families after the event. The Club will strive to continue to make this an affordable fun day for the whole family, also with the day falling on a Public Holiday again we should see the day grow this season.

This has been my first full season as President of the Club and it has been a tremendous honour. It was particularly pleasing to see growth in our membership for the season, this is a very important part of any club and we do value your support at the Otaki-Maori RC.

I would like to thank all the stewards of the club and their partners for all their support and especially the way they look after owners and patrons on raceday. Terese and her small team of track and ground staff here at Otaki also need to be commended for the way the venue is presented.

I would like to thank Alasdair Robertson, the RACE Group Management and staff for their efforts on behalf of our club.

Finally the Club would like to send their condolences to all those members and associates of the club who have lost family members or whanau throughout the season.

Rangi Ransfeld
OMRC President

WELLINGTON RACING CLUB (INC)

This is my final report to you as President. It has been a pleasure and a privilege to serve the club, initially on the committee and for the last 3 years as President. As has been the case throughout my time on the committee we have had another challenging year, there are enormous pressures on the racing industry both internally and externally. During my time on the committee I've seen the club move from a dire financial position to being an integral part of the RACE group, RACE is going from strength to strength. With its economies and efficient use of resources I believe it is the model for racing administration that should be followed throughout New Zealand. Significant progress in debt reduction has been taken and will continue to take place. Our operating revenues both for Trentham and the RACE group are industry-leading and I believe we can look forward to prosperous times in the not too distant future.

Turning to the race track we have had another very successful racing season at the Wellington Racing Club. We were favoured by good weather at nearly all of our meetings, and most importantly, once more through our Cup Carnival. A long time favourite with jockeys, Trentham is a track where every horse gets its chance. This season we have again witnessed some very special performances. Group 1 winners Shuka in the Captain Cook Stakes, Sacred Star in the Telegraph Handicap, Puccini in the Thorndon Mile and Savaria in the New Zealand Oaks all triumphed over high quality fields.

Given the general economic climate, our race day revenues have held up well, with attendances being on a par if not better than those of previous years.

Telegraph Day saw the running for the second time of the Group 1 Levin Classic as a co-operative venture with the Levin Racing Club. It has been a very successful initiative for both Clubs. Adding a Group 1 3 year race to our already stellar Telegraph Day programme has added to the quality of the day. We look forward to a long continuing association with the Levin Racing Club and the race.

The Club has adapted well to changing times where all forms of entertainment have suffered from reduced crowd numbers, reduced discretionary spend and reduced sponsorship dollar. We have continued working on the character and style of Cup Day.

The new Members Reserve car park behind the old tote was an overwhelming success as was the Logan Brown function in the Balmerino room. We have been highly commended by the police for our alcohol policies. There can be few such well-behaved sophisticated events held on such a scale.

As I noted at the outset racing remains a challenged industry. The pressure is on Racing Clubs to provide quality entertainment. Good sized competitive fields are the keys to successful race days. If we are to sustain good quality racing and increase field sizes then we need horse numbers. To achieve that we need stakes at a level that attract participation in racehorse ownership and provide our trainers and jockeys with livelihoods commensurate with the hard work they put in. Initiatives to increase stakes are to be commended but your committee is keen to ensure it is not at the expense of race days and race numbers. It remains an unfortunate reality that until we can raise stakes significantly we will continue to see the exodus of many of our promising horses to Australia, Singapore and Hong Kong.

I would like to take the opportunity of thanking all of the Club's sponsors for their support during the year as without that support we could not deliver a quality racing product. We are very excited to welcome Wallaceville Estate coming on board as the new 2016 Wellington Cup Carnival sponsor.

Once again I would like to thank the committee for the hours of time given up for the benefit of the Club, our race day stewards whose contribution makes for a great race day experience for our owners, and to our loyal staff for their outstanding achievements with limited resources. I will miss the Wellington Racing Club Committee meetings and the camaraderie I have enjoyed and wish incoming President Wayne Guppy and his committee all the best for the future. No one has Trentham's interests closer to heart than Wayne and I know I leave the committee in good hands.

I conclude by thanking all members of the Club for the support they have shown during my tenure as President, particularly through their increased attendance. I look forward to many enjoyable days just watching the horses.

David Butler
WRC President

RACING REVIEW

Once again the RACE Group of Clubs were fortunate to host some fantastic racing in the 14/15 Season and witness some of New Zealand's best horses in action.

An early spring surprise was in store at the Marton JC Meeting in September with a Dead 4 track greeting all runners. The Merial Metric Mile would prove a thrilling race with the Peter & Jacob McKay trained Puccini with Vinnie Colgan aboard proving too good for Thorn Prince by a length and three quarters with a head back to third place getter Marotiri Miss.

A Dead 4 track would also prevail at Trentham for their first meeting for the season at the end of October. The Sweet Orange @ Highview Wellesley Stakes for two year olds at Listed level would be taken out by the Graeme & Debbie Rogerson trained Maritimo who proved too quick over the 1000m winning by four and a half lengths from Platinum Express and Battle Plan. The Group 3 TBS Thompson Handicap would see another Northern raider Puccini defeat Kisses by a nose for replacement jockey Jonathan Riddell who filled in for an injured Vinnie Colgan.

Back at Awapuni in November, the Ricoh Feilding Gold Cup would provide a local victory with the Gary Vile prepared Anniestar winning by a nose from Little Alfie Brown who was chasing his second Feilding Gold Cup and Mungo Jerry third. Jockey Vanessa Johnston would take a needle-eye gap halfway down the straight which would prove the winning of the race.

December was another bumper month for the Group and started with the Wellington Racing Club Premier meeting which was held on a Dead track. The Group 1 Rydges Wellington Captain Cook Stakes proved to be an outstanding race. With Group One performers all through the field, the finish was always going to be a tight one and so it proved with 2013 victor Shuka prevailing in a tight finish over Nashville and Puccini. For the first time on the programme the Group Two Golden Homes Wakefield Stakes was held. Moved to December due to its decline in quality in its January slot it did not disappoint with a top field of 2YO's assembled. It would be the Northern trained Showboy from the Nigel Tiley stable who would defeat the Rogerson's trained Serena Miss and Jacquetta. Also on the undercard we would get to witness what will be the first of many battles between Kawi and Mighty Solomon who both look destined for greater things. The day also saw the running of the Levin Racing Club's Open Sprint the Levin Stakes after its raceday had been abandoned the previous week. The Guy Lowry and Grant Cullen trained Adventador would defeat Designated Driver and lamishwara.

The three day Manawatu Racing Club Christmas Carnival again saw some outstanding racing action. On the first day it would be the Robert Patterson trained Choice, who would upset the favourites from Attention Seeker and Palace Rock in the Group 3 Lawn Master Eulogy Stakes. Hotel Coachman Manawatu Cup day would see Perfect Start from the Wayne Hillis stable defeat Dubai Belle and Duquesa in the Cup. Perfect Start had won on the first day in the Cup Trial and was given the perfect run by Sam Spratt before winning with ease by a length and a quarter. The second of the day's features the Group 3 Kamada Park Manawatu Challenge Stakes would go to the Lance O'Sullivan and Andrew Scott prepared Pure Champion from top mare Diademe and Ginner Hart. The eight horse field would be covered by just under three lengths at the finish and provided an exciting finish. The Club is delighted this race has been promoted to Group 2 in the new season. Also on the under card Maygrove would defeat a field including King Kamada, which would prove to be a good guide for some of the Summer cup races.

The Gallagher Marton Cup in January would see an all the way victory to Just The Tip in the hands of Mark Hills. He gave them plenty to catch and clung on for a nose victory over Maygrove with King Kamada third.

The Platinum Homes Wellington Cup Carnival would again provide racing of top quality. The first days racing action on a perfect Good3 track saw the Mills Reef Trentham Stakes taken out by Manawatu Cup victor Perfect Start with an all northern trifecta made up of Decorah and Delveen. The Tui Anniversary Handicap would see a massive run from Kawi, to take the race from Waikaha and Lockett. Kawi was in an impossible position at the 300m mark and was blocked for a run, but once out and balanced up, he proved too strong. This race has also been upgraded to Group 3 for next season which is very pleasing. The first of the two Group 1 features on the day was the AIB Group 1 Levin Classic. This would provide a massive upset with Gaultier at 29-1 defeating fellow Northern raiders Sardaj and Huka Eagle. For trainer Danica Guy the win did not come as a surprise and it appeared the gelding of the horse had resulted in him showing his true potential. The Group 1 JR & N Berkett Telegraph would see recently crowned New Zealand Sprinter Of the Year, Sacred Star beat the best sprinters in the country. He scorched over the 1200m in 1.07.01 and had four lengths to spare over his rivals with jockey Vinny Colgan given an easy ride in the saddle.

Platinum Homes Wellington Cup day again saw a well behaved crowd present and some exciting action on the track. New Zealand Bloodstock Filly of the Year Platinum Witness would easily take out the Wellfield Desert Gold Stakes at Group 3 level from Attention Seeker and Exquisite Jewel. The first of the highlights would see an impressive line-up in the Group 1 Harcourts Thorndon Mile. This was the first year the race was run under the set weights and penalties conditions and the finish did not disappoint as Puccini would dash through late to grab victory from Soriano and Mighty Solomon. The Group 2 Platinum Homes Wellington Cup would see the up and comer Maygrove defeat Perfect Start and She's Insatiable. For trainers Murray Baker and Andrew Forsman it proved mission accomplished having paid the late nomination to be in the race.

February and the Haunui Farm Otaki-Maori Group One Classic would see an upset as the Tony Kaye trained lamishwara slipped up inside Natuzzi and had a tooth and nail struggle all the way up the Otaki straight. In the hands of Robert Hannam lamishwara would prevail by a nose with Julinsky Prince in third place.

Wellfield New Zealand Oaks Day at Trentham would be run on a Good 3 track and provide very good racing. The Listed Hyland Race Colours New Zealand St Leger would provide a popular victory to Iffwedance prepared by Trina Riddell for Goodwood Stud. The Hiremaster Cuddle Stakes at Group 3 level would see the South Island top mare The Diamond One secure victory from up and comers Procurement and Irion. The Listed Lightning Handicap would see the previous year's runner up Whosyourmaster go one better and defeat Trepidation and Onlyarose with ease. The main race the Group 1 Wellfield New Zealand Oaks saw the countries two leading fillies Savaria and Platinum Witness stage a thrilling dual up the straight but at the finish it was the Royden Bergerson trained filly Savaria that would prevail in the hands of Hayden Tinsley.

The end of March sees the top autumn meeting in the country at Awapuni and it provided all the action you would expect. Raced on a Dead 4 track the first of the four features would be the Higgins Manawatu Classic. The Central Districts quinella would be provided Exquisite Jewell narrowly defeating Werther. These two would quinella the G2 Championship Stakes at Ellerslie a fortnight later. Another of the features of the day would be the Ezibuy Awapuni Gold Cup. This time honoured feature would be won by lamishwara who scored by three quarters of a length from Jubilate and King Krovanh. The Listed Fairdale/Goodwood Studs Flying Handicap

would see leading three year old Vespa easily take out the race in the hands of Mark Du Plessis from Angelica Hall and Miss Foxwood. The main race of the day the Group 1 Courtesy Ford Manawatu Sires Produce Stakes was taken out by New Zealand's two year old of the year Marky Mark. Prepared by Moira Murdock he came with a sustained run in the hands of Leith Innes to defeat Rocanto and Reminisce. For jockey Leith Innes it was a victory he had waited a long time for, after cruelly being relegated on Vinaka in 2001.

The J Swap Stockfoods Manawatu Breeders would see the continuation of the Baker/Forsman juggernaut as they secured victory with Decorah. Jockey Opie Bosson made a special trip to Awapuni to partner her before heading to Australia the next day and the trip proved worthwhile as she defeated Emerald Queen and Flying Orca.

Later in April and the feature for the Feilding Jockey Club the Manawatu ITM ANZAC 1600 was taken out by Northern mare Lady Le Fey in the hands of Michael Coleman who held out a determined Thorn Prince and Taurus. The James Bull Rangitikei Gold Cup would also go North with the Rudy Leifting trained Danza Lad defeating Duffers Creek and Taurus.

Winter racing would again provide exciting jumping action and Manawatu ITM Awapuni Hurdles would see the local Superturf defeat Kings Deep and Thatz David. The LJ Hooker Manawatu Steeplechase would see one of the best races at Awapuni this season when the Mark Oulaghan trained Upper Cut came from an impossible position on the turn to defeat Mr Mor in the last five strides with Carinya third. At Trentham the Lonestar Petone Wellington Hurdles would be taken out by Great Northern Hurdle winner Wee Biskit who proved too good for Mahanadi and Thatz David. The Dixon & Dunlop Wellington Steeplechase would see Mr Mor gained a deserved win from the maiden runner The Oysterman who added a lot of excitement to the race with his front running tactics and Toms Myth third.

Awapuni based trainers continued to perform well on the National scene with Group One winners coming from the stable of Royden Bergerson (NZ Oaks – Savaria), Tony Kaye (Otaki-Maori WFA – lamishwara) and Lisa Latta (One Thousand Guineas – Platinum Witness). We congratulate them on their wins at the top level and all trainers in the Group who prepared winners in the 14/15 season.

FINANCIAL REVIEW

RACE has posted a net gain of \$404,978 before depreciation for the year ended 31 July 2015. This compares to a \$299,263 net loss for the previous year. After depreciation the loss for the year is \$235,316 compared to a loss of \$919,245 in the 2013/2014 year.

The budgeted result for 2014/2015 was a loss of \$79,548 which included a gain on property sales of \$40,168. The unbudgeted property sales of Awapuni land on Te Wanaka Road to Kamada Park and Trentham carpark land to Hutt Independent Boys School has significantly improved the result for the year resulting in a profit of \$595,198.

There has been a positive contribution from grants income due to safety fund grants for Otaki and Trentham and NZTR grants for Awapuni. The costs for these projects have been recorded as fixed assets.

Race Meeting Statement

The race meeting account produced a surplus contribution of \$1,770,675 against a budget of \$1,895,280.

The variance to budget was contributed to by a decreased income for admissions (-\$31K), and grants (-\$14k) and increase in expenditure for marquee and functions (-\$102k), promotions (-\$28k) and sponsorship (-\$25).

By venue the following results were achieved:

- Awapuni Clubs produced a great negative result to budget of \$13,264 with a contribution of \$691,958 (2014: \$724,237).
- Otaki Maori Racing Club was \$64,148 negative to Budget reflecting the weather and lower attendance numbers. Their contribution was \$93,230 (2014: \$113,527).
- Wellington Racing Club was negative to budget by \$46,833. This was contributed to mainly by a Cup Day performing below budget due to increased costs. Their contribution was \$985,487 (2014: \$948,296).

Catering

Creative Catering had a surplus in gross terms of \$297,126 against a budget of \$342,258. This was below budget and has been contributed to by a lower function turnover and increased wage costs.

Creative Catering is a profit share joint venture and as such the net return to RACE Inc. is \$152,838.

Trentham Gardens has had a disappointing year returning a profit of \$85,292 against a budget of \$175,100. This catering division has been restructured late in the year and is now a joint structure of management combining both catering divisions. An improvement in the final position is expected in the coming financial year.

Property

Over the year the sales of Te Wanaka Road to Kamada Park and Trentham land to Hutt Independent Boys School have been completed.

Land sales at Trentham and Awapuni are continuing as this is the strategic direction of RACE Inc. to reduce debt over the coming years.

Tracks and Training

Track and training has been reported in the financial statements as a gross income and expenditure with salary and wages costs included track and training of \$524,462.

The net track costs including salary and wages was \$263,873 compared to \$251,930 in 2014. The increase in costs has been largely due to repairs and maintenance on vehicles and equipment. This will continue to be an ongoing challenge as equipment at all tracks is ageing and maintenance is needed to keep them operational.

Finance Costs and Debt Position

Finance costs this year amounted to a total of \$438,336 which was higher than last year as interest rates were higher overall, the drop in rates only taking effect near the end of the financial year.

Our current debt position is \$7.9m a reduction of \$900k due to asset sales. There has been some additional borrowing for the Awapuni alternative bend and subdivision costs. The total debt at the end of the year was \$8.1m

Our debt reduction plan is to be at a sustainable level of debt of under \$3.0m by 2018.

Balance Sheet

Cash on hand / bank accounts at balance date totalled \$248,789 (2014: \$457,742). This is a significant reduction in the cash position and management of this continues to be a challenge and working capital will be monitored closely in the quieter months. The collection of debtors and maintaining stock levels at a minimum are a key focus for the coming year to ensure there is maximum cash flow.

NOTES TO THE ACCOUNTS 2015

Note 1 - STATEMENT OF ACCOUNTING POLICIES

Reporting Entity

Racing at Awapuni, Otaki and Trentham Combined Enterprise Incorporated (RACE Inc) is an incorporated society established under the Incorporated Societies Act 1908.

RACE Incorporated is a formal partnership between the Manawatu Racing Club, Marton Jockey Club, Feilding Jockey Club, Rangitikei Racing Club, Wellington Racing Club and the Otaki-Maori Racing Club.

General Accounting Principles

These Financial Statements are prepared in terms of Section 28 (2) of the Racing Act 2003 and generally accepted accounting practice in New Zealand with the Racing Act having preference.

The general accounting principles recognised as appropriate for the measurement and reporting of results and financial position on an historic cost basis have been consistently followed except as specifically mentioned below.

Specific Accounting Policies

RACE Incorporated qualifies for differential reporting as it is not publicly accountable and it does not qualify as large. The Club has applied the differential reporting exemptions allowed in relation to the following standards:

FRS 10: Statement of Cash Flows

FRS 31: Disclosure of Information about Financial Instruments

Disclosures changes have been made to Track and Training costs and they are now disclosed as Training Fees revenue and Repairs and Maintenance Track expense.

Salaries and wages include the track wages which had been included in track and training costs in 2014.

Accounts Receivable

Accounts receivable are stated at net realisable value.

Stock on Hand

Stock on Hand is valued at the lower of cost and net realisable value.

Property, Plant & Equipment

Property, Plant & Equipment is stated at acquisition cost to RACE Inc. Depreciation is provided at rates to write the assets off over the estimated life of those assets.

Stands	1 - 2.5%	SL
Buildings & Improvements	1 - 15%	SL
Plant, Equipment, Furnishings	15 - 20%	SL/DV
Vehicles	15 - 20%	SL/DV

Kitchen Equipment is stated at acquisition cost and all replacements are written off in the year of purchase.

Property Intended for Sale

Property Intended for Sale is stated at the lower of cost and net realisable value.

Investments

Investments are stated at the lower of cost and net realisable value. The investment in Central Cluster Partnership is accounted for using the equity method.

GST

All transactions are recorded exclusive of GST and the refund due as at 31 July 2015 is included under Current Assets in the Statement of Financial Position.

Changes in Accounting Policies

There has been a change in accounting policy for specific accounting policies as the Statement of Cash Flow is not being presented.

Note 2 - BORROWINGS

Bank of New Zealand

The term loans of \$4,776,000 relates to a facility which is due to expire on 20 December 2016, with a condition that all asset sales monies are utilised in reduction of this debt. The terms and interest rates are as follows:

- \$2,930,000 loan – Maturity date: December 2016. Interest rate: 5.48%
- \$1,846,000 loan – Maturity date: December 2016. Interest rate: 4.96%

The following guarantees are provided for the above loans:

- \$12,000,000 – Manawatu Racing Club, Wellington Racing Club, Rangitikei Racing Club, Feilding Jockey Club, Marton Jockey Club & Otaki-Maori Racing Club
- \$5,286,000 – New Zealand Racing Board.

The Bank of New Zealand holds first registered mortgages over Awapuni, Trentham and Otaki racecourses as well as property situated at Shirriffs Road and Pioneer Highway, Palmerston North and a perfected security interest in all acquired property of RACE Inc.

New Zealand Thoroughbred Racing

The balance at 31 July 2015 is \$622,520 and the termination date is 1 May 2027. The interest rate at balance date is 4.47%.

The NZTR holds a composite security and mortgages granted by RACE Inc in favour of NZTR.

New Zealand Racing Board

The NZRB has provided RACE with a \$3m five year working capital facility. As at balance date this facility was drawn to \$2,600,000 with capitalised interest of \$9,400. The interest rate is 4.00%.

The NZRB loan facility expires in 8 February 2019.

The NZRB holds second priority registered mortgages over Awapuni, Otaki and Trentham racecourses.

Finance Leases

RACE Inc has finance leases with a balance of \$131,742 made up of:

- RACE Inc. purchased a tractor on 20 June 2015 with a loan from UDC Finance. The monthly repayments are \$702.54. At 31 July the balance was \$27,730.
- RACE Inc. purchase a vehicle on 21 May 2014 with a loan from UDC Finance. The monthly repayments are \$502.73. At 31 July 2015 the balance was \$20,448.
- RACE Inc purchased a Semaphore board from Raceday Information Systems on 16 May 2015. The monthly repayments are \$2,300. At 31 July 2015 the balance was \$85,867.

Note 3

Property, Plant & Equipment – 2015

	Cost Price	Accumulated Depreciation	Book Value 2015	Depreciation Charge
Plant, Equipment & Furnishings	\$1,709,700	\$1,180,517	\$529,185	\$87,404
Buildings & Racecourse Facilities	\$28,640,206	\$6,584,886	\$22,055,319	\$553,935
Land	\$7,047,929	-	\$7,047,929	-
Total	\$37,397,835	\$7,765,403	\$29,632,433	\$641,339

Included in Buildings & Racecourse Facilities is Work in Progress of \$244,568.

The depreciation charge is calculated as:

Awapuni Partnership	\$624,231
Creative Catering	\$11,714
Trentham Gardens	\$5,394
Total	\$641,339

Property, Plant & Equipment – 2014

	Cost Price	Accumulated Depreciation	Book Value 2014	Depreciation Charge
Plant, Equipment & Furnishings	\$1,559,786	\$1,093,636	\$446,150	\$80,612
Buildings & Racecourse Facilities	\$28,226,499	\$6,030,958	\$22,195,541	\$556,513
Land	\$7,296,852	-	\$7,296,852	-
Total	\$37,083,137	\$7,124,594	\$29,958,542	\$637,125

Included in Buildings & Racecourse Facilities is Work in Progress of \$21,776.

NOTES TO THE ACCOUNTS 2015

Note 4 - INVESTMENTS

RACE Inc on behalf of the six member Clubs is a member of the Central Districts Cluster Partnership and holds an investment of \$31,265.35 (2014 - \$30,206).

RACE Inc holds an investment in Central District Starting Gates of \$20,955 (2014 - \$20,955).

Note 5 - COMMITMENTS

RACE Inc entered into an agreement on February 2014 for the lease of computers. The term is 36 months.

RACE Inc. entered into an agreement on March 2014 for the lease of two new photocopiers at Awapuni and Trentham. The term is 60 months.

RACE Inc. entered into an agreement on 11 October 2013 for the lease of a new vehicle at Awapuni for the CEO. The term is 36 months.

Note 6 - RELATED PARTIES

2015:

Board member Paul Humphries is the owner of Humphries Construction Ltd who have provided building work at Awapuni Racing during the year.

Board member David Butler is a partner in the law firm Gillespie Young Watson who have provided legal services at Awapuni Racing during the year.

Various Board members and their associated entities may have also provided sponsorship monies for race meetings during the year.

All of the above transactions are within the normal conditions of trading.

2014:

Board member John Henderson is a partner of law firm Evans Henderson Woodbridge who have provided legal services to RACE during the year. RACE has also purchased products from Ravensdown Fertiliser Co-op Ltd of whom John Henderson is a director.

Board member Graeme Martin is the owner of Martin Engineering who provided engineering services at Awapuni during the year.

Board Member Paul Humphries is the owner of Humphries Construction Ltd who have provided building work at the Awapuni during the year.

Various Board members and their associated entities may have also provided sponsorship monies for race meetings during the year.

All of the above transactions are within the normal conditions of trading.

Note 7 - CONTINGENT LIABILITIES

There are no known contingent liabilities as at balance date (2014: Nil).

Note 8 - REVENUE

Race Inc had a total income for the 2015 season of \$19,767,295 (2014 - \$18,117,104). Included in this is \$1,282,735 (2014 - \$1,226,284) of charges between the various RACE divisions.

Note 9 - EARTHQUAKE PRONE BUILDINGS

Wellington Racing Club has received notification from Upper Hutt City Council regarding the assessment of earthquake prone buildings. RACE has significant building infrastructure at Trentham with a book value of \$7.6m. The Upper Hutt City Council desktop assessments indicate that most buildings are below the minimum safety threshold and for financial reporting purposes this could result in a significant impairment to the valuation of these buildings.

RACE has engaged an engineer and an initial assessment indicates that the buildings could meet the code. A full engineer's report is in the process of being completed. Once this is done and if required, an exercise to assess the value of any impairment for these buildings will be carried out and therefore any such associated financial impact cannot be quantified in these financial statements.

Note 10 - GOING CONCERN

The financial statements have a negative working capital of \$126,081, and an operating deficit of \$235,316 for 2015, combined with previous years deficits, there are negative accumulated funds of \$4,792,724 for 2015 (2014: \$4,557,608). The Board believes with continued support from its funders and the New Zealand Racing Board and the emphasis on future land sales the going concern assumption remains appropriate.

AUDITORS REPORT

INDEPENDENT AUDITOR'S REPORT

To the Members of Racing at Awapuni, Otaki and Trentham Combined Enterprise Inc (RACE)

We have audited the financial statements of RACE, which comprises of the statement of financial position as at 31 July 2015, the statement of financial performance, and the statement of movements in equity for the year then ended. These include a summary of significant accounting policies and are prepared in accordance with Section 28 (2) of the Racing Act 2003.

Boards' Responsibility for the Financial Statements

The Board is responsible for the preparation and fair presentation of these financial statements in accordance with generally accepted accounting practice in New Zealand (Old GAAP Differential Reporting) and for such internal control as the Board determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing (New Zealand). Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other than in our capacity as auditor of Wellington Racing Club, Rangitikei Racing Club, Otaki Maori Racing Club, Manawatu Racing Club, Marton Jockey Club and Feilding Jockey Club, we have no relationship with, or interests in, RACE.

Basis for Qualified Opinion

As disclosed in the financial statements in note 9, Wellington Racing Club has received notification from Upper Hutt City Council regarding a desktop assessment of earthquake prone buildings. RACE has significant building infrastructure at Trentham. The Upper Hutt City Council assessment indicates that some buildings are below the minimum safety threshold and for financial reporting purposes this could result in a significant impairment to the valuation of these buildings. An exercise to assess the value of any impairment for these buildings is not yet complete and therefore the associated financial impact cannot be quantified in these financial statements.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of RACE as at 31 July 2015 and its financial performance for the year then ended, in accordance with generally accepted accounting practice in New Zealand (Old GAAP Differential Reporting) and Section 28 (2) of the Racing Act 2003.

Emphasis of Matter

As disclosed in the financial statements note 10 Going Concern, there is negative working capital of \$126,081 and an operating deficit of \$235,316 for 2015. Combined with previous years deficits, there are negative accumulated funds of \$4,792,924 for 2015, which indicates uncertainty around the going concern assumption. If the going concern assumption is not valid, the consequence is the entity may be unable to realize the value of its assets and discharge its liabilities in the normal course of business. Our opinion is not qualified in respect of this matter.

Cotton Kelly
28 September 2015

This audit report relates to the financial statements of RACE Incorporated (the Society) for the year ended 31 July 2015 included on the Society's website. The Society's governing body is responsible for the maintenance and integrity of the Society's website. We have not been engaged to report on the integrity of the Society's website. We accept no responsibility for any changes that have occurred to the financial statements since they were initially presented on the website.
