## 2011 RACE REPORTS

## CHAIRMAN'S REVIEW

**The 2010/11 year has been a real challenge for RACE. The full effect of the global financial crisis has well and truly been felt by the entire racing community and by RACE. Betting turnovers have reduced drastically, sponsorship has been tougher to source, non-racing income has been difficult to maintain and these factors have placed stress on the financial performance of RACE.**

**Due to the concerns over financial performance the RACE board undertook an internal review and a separate independent review of the financial viability of RACE which, as most are aware, is under pressure due to the large residual borrowings as a result of the construction of the Awapuni Function Centre and other capital projects the Board has undertaken in the past five or six years.**

**During the season RACE CEO Matt Reid resigned and the Board decided not to replace Matt in the short term. This decision will provide some cost savings. A management team of Ryan Ayers, Chris Allen, Darin Balcombe and Brent Wall has been established to manage our business and to date this arrangement has worked very well. The management team has specific areas of responsibility and the Board is extremely happy with this revamped structure.**

**It is very pleasing, despite the challenges faced, that RACE has reported an operating profit of \$543,706 before extraordinary expenses, impairments and depreciation. While this result is down on the previous year, the fact that we have been able to produce this result is testimony to the hard work and superb efforts of the staff, Club committees and the RACE Board**

### **ACKNOWLEDGEMENTS**

I would thank all the RACE staff for their efforts throughout the year. It has been challenging on many fronts, the entire staff have shown great commitment and dedication.

I would like to make special mention of the new management team of Darin Balcombe, Chris Allen, Brent Wall and Ryan Ayers. It is great to see the way that you all have risen to the challenge of running the RACE business. You are an experienced and dedicated team with a passion for the racing industry and RACE is extremely fortunate to have a management team of this calibre.

I would also like to specifically acknowledge the contribution and efforts of the Creative Catering staff. Through their efforts a record turnover and bottom line profit has been achieved. Your hard work and dedication has seen the reputation of

Creative Catering steadily grow and the Silks Lounge is now the premier function centre in the Manawatu.

Thanks also to all the Club committees, without the efforts of the committeemen the race meeting profits would be severely impacted. The committees are responsible for attracting sponsors and staging the race-days. When it comes to race meeting financial performance the RACE group of clubs consistently outperform other clubs in New Zealand and this is principally due to the enormous effort of our six committees and other volunteers.

All the people at RACE are passionate about racing and this is the key ingredient.

Thanks also to the many sponsors who have supported the RACE group of clubs during the year. As has been said before, it would also not be possible for us to operate without such a strong and loyal group of sponsors. A full list of our partners is included further in this document. We thank all of our sponsors for their loyalty and support.

## CHAIRMAN'S REVIEW Cont.

### FINANCES

While our overall financial position remains extremely tight, RACE has had a successful 2010/11 from an operational perspective, posting an operating profit of \$543,706 before extraordinary expenses, impairments and depreciation.

During the year five sections in the Grand Oaks subdivision were sold, the surplus caretaker's house on Totara Road was sold and an esplanade strip along the Mangaone Stream was sold to the Palmerston North City. These sales were primarily applied to the repayment of term debt and during the year RACE repaid \$1,103,227. There are still 17 sections to be sold in the Grand Oaks subdivision and there has been continued enquiry.

RACE has liabilities of \$11,805,525 and the Board is extremely aware of the pressure that this brings. There is a continued need to repay this debt as soon as possible and to control costs as tightly as possible. The Board and the committees must continue to focus on those areas over which they have influence such as sponsorship, function income, non-racing income and cost control.

### RACING

RACE's race meeting performance has been outstanding producing a profit for the year of \$1,975,487. While total wagering dropped by 9% within the group, we still managed to beat budget. Generally the weather was kind to us but we did get rain on Wellington Cup day and average weather for the Awapuni Christmas Carnival.

Training numbers at our three venues remained strong through 2010/11, training at Trentham continues all be it on a reduced scale. Horses trained at RACE venues enjoyed many successes, congratulations to the connections of all successful horses trained at RACE training venues. Awapuni and Otaki provide good training facilities and it is a focus of the RACE Board to maintain investment in the training facilities when funds permit.

### FUNCTIONS BUSINESSES

Our food and beverage operations (Creative Catering and Trentham Gardens) shared mixed results during 2010/11 year. Creative Catering produced a record turnover during the year and profitability was correspondingly up. The full effect of the investment in the function centre is now materialising.

Trentham Gardens did not fare so well. Bookings dropped to be almost 50% on the previous year and this has impacted on the bottom line profit. Trentham Gardens profit for the year was \$61,067.

In an attempt to generate more non-racing revenue for Trentham Gardens the Carbine Room is currently being refurbished thanks to the efforts of the Trentham Community Trust. This will hopefully enhance Trentham's commercial appeal.

### THE CHALLENGES AHEAD

RACE continues to face significant challenges ahead, specifically in relation to our financial situation. As was the case last year, declining betting turnovers, the likelihood of

increasing interest rates and limited ability to access gaming grants sees our 2011/12 budget remaining under pressure. There is no provision for the larger infrastructure maintenance that is urgently required at all three venues. The key focus of the Board and management will be on cost control.

Strategically our priority is debt reduction and the immediate focus is the sale of the remaining 17 sections of the Grand Oaks subdivision. There are a number of other opportunities that are being explored at all three venues and in time we are hopeful that these opportunities will deal with the group debt.

We must strive to improve our race-day events, maximise non racing income streams and improve the efficiency of our internal processes and procedures. We have recently upgraded the group IT systems which will allow improved data storage and file sharing. A centralised data base has been established and this will allow us to focus on improving communications between the offices, enable a uniform approach to marketing and improve communication with our key stakeholders.

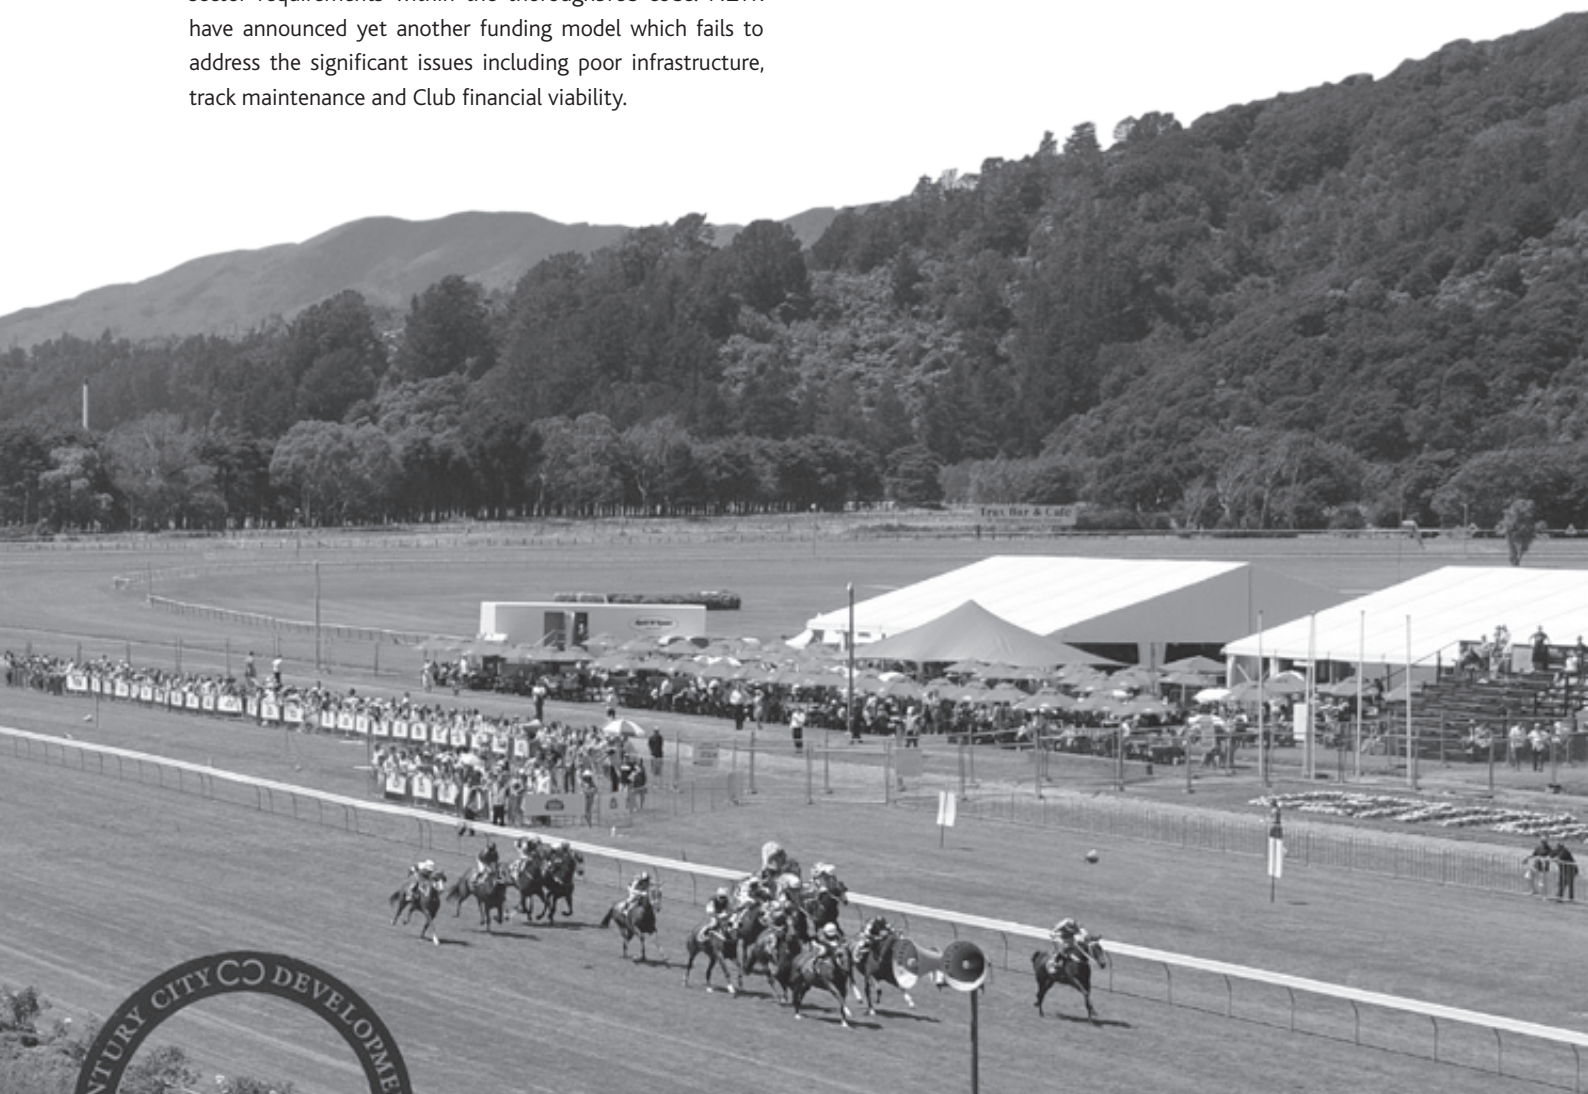

Our industry faces many significant challenges. There is simply not enough money available to meet all the various sector requirements within the thoroughbred code. NZTR have announced yet another funding model which fails to address the significant issues including poor infrastructure, track maintenance and Club financial viability.

While we at RACE face big challenges, I firmly believe that we are well placed to overcome these in time. The RACE model is the blue print for the future of thoroughbred racing in New Zealand and I am confident that we have the potential and the people to succeed.

To the members of the RACE Board, the staff and the Club Committeemen, thank you for your efforts, support and commitments to RACE and respective Clubs, it is appreciated.

Thanks you to all of the members of our six clubs for your great support and loyalty over the previous season. We look forward to seeing you all on-track for more excitement and fun in 2011/12.

## PRESIDENT'S REPORTS

### MANAWATU RACING CLUB (Inc)

My two years as your club president have been very exciting to date and the Club has another big season in front of it.

My number one goal, when I first took over as president, was to make sure the Manawatu Racing Club retained its long term and loyal sponsors. I can report we have achieved this in the last two years. I was also very conscious of the need for RACE to retire debt as its number one priority. This comes from club's being able to provide an enjoyable day's racing at Awapuni through working with our partners and through customer relationships. This is happening as witnessed by attendances in the Silks Lounge throughout the year.

You may recall my birdcage speeches where I have highlighted the importance of our partners and sponsors and the need for all of us to support them. I am glad to report that I have been informed by a majority of sponsors that they have received valuable support from our galloping community, or that we have least given them the opportunity to be considered before a decision was reached. This is greatly appreciated by the Manawatu Racing Club

During the last season the Manawatu Racing Club achieved \$10,141,963 turnover off-course and \$1,327,703 on-course against a budget of \$1,470,000. Since clubs are now paid on their on-course turnover this is a vital component for your Club. These figures were quite acceptable given the current state of the economy. Our raceday profits returned to RACE were \$330,042 against a budget of \$364,922. This has been very pleasing for your committee. It was also pleasing to see the race-day crowds returning back to our main days with our new function centre being nearly always booked out, with the Silks Lounge and boxes receiving rave reviews from those who had patronised them.

Creative Catering continues to be a vital component of RACE and has had some exceptional patronage during the last season with our new function centre playing a major part in the success of the race-days. I believe it's holding our Club in good stead during these recessionary times.

The Manawatu Racing Club experienced some great racing during the last season, with an undoubted highlight being the courageous win by Anabandana in the Group 1 Oaks Stud Stallions Manawatu Sires Produce Stakes. Hold It Harvey won the Group Two Steelfort Lawnmaster Awapuni Gold Cup. This race continues to rank very highly with the Graded Stakes Committee. This has seen the race go from being on a second warning to now having no warning, and being ranked among New Zealand's top 10 races. Northern Visitor Starcheeka won the Group Three Oaks Stud Manawatu Classic very impressively. We would also see a very promising mare in Guiessepena take out the Listed Fairdale/Goodwood Studs Flying Handicap.

In June we welcomed FMG for the second time to Awapuni partnering the Manawatu Steeplechase. This was won by Proposition trained by Paul Nelson and ridden by top all-round international jockey Jonathan Riddell. His ability on the flat and over the fences has to be admired.

To all the other generous partners/sponsors who have contributed to the success of the MRC during the year, thank you. A full list of partners/sponsors is recorded in the annual report further on.

Other highlights of the year for the Club were again the Farmers raceday, which was a huge success and the NZ Bloodstock Central Regional Awards dinner, which highlighted the local successes. Awapuni trainers and jockeys have been very successful during the year and congratulations to all those winning trainers, especially Jeff Lynds with four Group Ones and of course the local owners/members, especially those who won at Awapuni

A deferred maintenance programme has been put in place, and your committee is well aware of what is required to be fixed. As soon as funding is available we will act to rectify areas concern.

In the last year ending July 2011 six Grand Oaks sections have been sold, since then the Grand Oaks section sale enquiries have picked up with all the western side sections overlooking the Mangaone River now having new ownership. Although it has been reported last month that sales are at their lowest in a decade, RACE has managed to retire more debt with these sales.

My thanks goes to all the committee and partners for their input during the year. Thanks to all the Awapuni office staff and special mention to Chris Allen and his team for their trackwork preparation and upkeep. Currently there are 310 horses trained at Awapuni. The number of group one winners coming from Awapuni is testament to the high quality of training facilities available to them.

The big news for your Club for this year is that The Oaks Stud Stallions Manawatu Sires Produce Stakes will be run for \$225,000, making it the richest Group One two-year-old race in New Zealand.

Finally I would like to acknowledge Dave Bennett who is retiring from the committee after 19 years. During this time Dave's involvement with the Club, Awapuni Partnership and RACE has been immense. Dave, I pass on our sincere thanks to you and your wife Estelle for all the time you have put into the Club for the benefit of racing at Awapuni. I look forward to still seeing you at Awapuni for our race-days.

Club President  
Manawatu Racing Club

## MARTON JOCKEY CLUB (Inc)

The 2010/2011 racing year was again one of continuing challenge for our Club. The country's economy continued in the doldrums and there was clear pressure on the recreational dollar.

To combat these difficulties, our Committee made special efforts to involve the Marton and wider Rangitikei communities in our race-days with rewarding results. At our three main race-days, all races were fully sponsored and our Silks Lounge sponsor's area fully subscribed. The reward for that hard work reflected in turnover from the Silks Lounge which was consistently above our budgeted figures. The race board too was vigilant in its attention to expenses and while it had a number of extraordinary, unavoidable expenses during the year, it did manage to make significant expense savings in other areas.

The wisdom of these steps can be seen in that, while our on-course turnover took a drop of some \$82,000 from the previous year, our profit for the year rose \$9,000 to \$136,836.

The Marton Jockey Club continues to receive very positive comment about the way it conducts its race-days and the activities associated with them. The large attendance we attract to our sponsor's room attests to the way our efforts are received. Our year began with a very successful Ancare Merial Metric Mile Meeting in September, preceded by a Sponsor's Farm Day conducted by Elders Taylors. Both days were well received and the Club's gratitude is extended to Mary Hansen, Douglas and Ken Duncan for their efforts. The Group 3 Ancare Merial Metric Mile was won by Spare a Fortune in good fashion, trained by Gary Hennessy and ridden by Sam Collett

Our Gallagher Marton Cup Meeting in January was again a very successful event, preceded on the Friday by what has become a very popular golf tournament run in conjunction with the Marton Golf Club. This tournament was extremely well patronised and I extend my thanks to Campbell Bary, his team and to the Marton Golf Club for their efforts with the event. The listed Gallagher Marton Cup was run this year by Mr Topsy owned by Scott Richardson, trained by Murray and Bjorn Baker and ridden by Opie Bosson. This win was well received and the horse subsequently started as favourite in the Group 2 Wellington Cup.

Gallagher's occupy a special place in the Club's year. They have sponsored the Marton Cup for 10 years. We extend our grateful thanks for their valuable contribution and look forward to their continuing involvement. We would also like to acknowledge and record the knighthood bestowed upon their principal, Bill Gallagher, in the 2011 New Year's Honours list. We congratulate Bill on an honour well deserved.

The loyalty of our sponsors is a special feature of the Club's activities. We continue to enjoy great support from our long term major sponsors, the Gallagher Group, Ancare Merial, Waikato Stud, Crombie Lockwood, Rural ITM, Farmlands, Evans Henderson Woodbridge and our Marton Business Houses. Our farm oriented September meeting also continues to receive strong sponsorship from a number of farm related businesses. All of our sponsors are listed in our report and I take this opportunity to express the Club's sincere thanks for their generous involvement. Additionally, I would encourage our members to give their support to our sponsors when considering the use of services or the acquisition of products with which our sponsors are involved. The health of the Club is inextricably linked with their support. We need to support them.

As I have already touched upon, the Club's success this year has to a large extent been due to the extraordinary efforts of the Committee which continues year upon year to deliver positive results. Our three main race-days have for the past three years, been allocated each to a special sub-committee familiar with the peculiarities of each particular day. I take this opportunity to thank Campbell Bary, Peter McDougall, John Monkton, Ken Duncan and Douglas Duncan as chairmen or joint-chairmen of the sub-committees and the members of those sub-committees for their extra special efforts.

2011/2012 saw some significant changes in the operation of RACE. Budget constraints required the Board to conduct a serious review of the organisation's expenses and resulted in a management restructure which saw the departure of chief executive officer Matt Reid. RACE is now being run under a series of sub-committees and management divisions supervised by the RACE Board. I would like to thank Matt for his efforts while CEO of RACE and wish him well in his future. It was comforting to see that RACE ran at a profit for the season and that it achieved a debt reduction of approximately \$1.1 million. We compliment the RACE staff on the result and thank them for their assistance during the season.

Finally, I extend my personal thanks to the committee in general and to their wives and partners for their support and tireless efforts. I would also like to take this opportunity to thank my wife Sally for her input, attention to detail, encouragement and enthusiasm.

Regrettably both Campbell Bary and Simon Taylor are standing down from our committee this year. Their significant contributions over the years will be missed. Campbell almost single-handedly

## PRESIDENT'S REPORTS Cont.

set up our popular January golf tournament and has been the sub-committee chairman of our Gallagher Day throughout my term as president. Simon's sponsor commentaries in the Silks Lounge have been very well received over the years. I thank you both for your contributions and wish you well.

This will be my last report as president of the Marton Jockey Club. Peter McDougall is to succeed me this year and I wish Pete every success and enjoyment in the role. The task will continue to challenge with unrelenting pressure on horse numbers and stakes and an economy that is reluctant to come back to life. Additionally, there will be challenges associated with the new funding model being implemented by New Zealand Thoroughbred Racing and other political issues. However, I am confident that given our exceptional committee and the support of the Marton community that the Club enjoys, it will remain in a strong and positive position and be a rewarding organisation in which to be involved.

## FEILDING JOCKEY CLUB (Inc)

The 2010/11 racing season has again been conducted in tough economic times which has seen the decline in betting turnovers continuing at a national level.

It is therefore very pleasing to see our meetings bucking the trend with the club beating both budgeted and previous year's turnovers, both on and off course. On course turnover, one of the few areas where the club can increase its return, was \$1,000 up on budget and \$70,000 up on the previous year. This resulted in our race days retuning a profit of \$3,000 ahead of budget.

This can't be done without the efforts of the committee, sponsors, members and supporters who enable us to consistently fill the Silks Lounge for all of our major meetings.

We began the season with our marquee day, the Feilding Gold Cup meeting. The committee always strives to make this day the premier day of our year and last year was no exception. With the Silks Lounge and the other function rooms fully sold out, the crowd were treated to good fields with entries large enough to stage an 11th race. It was also an excellent achievement to have all these races sponsored. The very popular winner of the Stockguard Feilding Gold Cup was Butch James, owned and trained at Hunterville by Adrian and Rob Bull. It is always good to see this renowned racing family tasting success. Our supporting event, the Courtesy Ford Redcraze Bowl was taken out by the good mare Barinka who achieved Group 1 success later in the season in the Te Aroha Thoroughbred Breeders Stakes.

Our ANZAC day meeting was transferred to the Thursday before Easter owing to a clash over Easter. Despite being on a less than desirable day, a good crowd turned up to see a good day's racing

including Neversaynever prevailing in the ITM ANZAC Mile. After last year's misfortune when the meeting was cancelled after two races it was pleasing to put on a good day for our sponsors and patrons.

The Club's last day of the season, an industry day, was again well promoted by Mark Pickford as a building industry contractors' day.

The success of all these days is dependent upon a hard working committee and dedicated staff. I would like to thank the committee for their efforts, particularly vice-president Darrin Holm, immediate past president John Wheeler and our sponsorship manager Mark Pickford. I would also like to thank the RACE staff and particularly the Awapuni based staff for their dedication and readiness to assist.

The Club and RACE have come through a challenging season and have achieved exceptionally well in the current climate. The season ahead promises more of the same, with further challenges ahead as the funding and stakes model is further changed. However, with continuing good work from our committee, continuing support from our sponsors, and the support of our community, we are well placed to continue our vision of providing New Zealand's best racing, event and hospitality experience.

## PRESIDENT'S REPORTS Cont.

### RANGITIKEI RACING CLUB (Inc)

The 2010 / 2011 season has seen our industry go through some positive changes. After months of consideration, consultation and re-consideration, racing clubs agreed to change the governance structure of thoroughbred racing and appointed six independent directors. This had in fact been more than five years in the making and, once the restructure had been agreed, the change came quickly.

Structural changes to race meetings and increases in minimum prize money levels will be introduced from 1 March 2012. This is an important positive step to ensure the sustainability of racing, prize money and participation over the oncoming years. This has resulted in next year's May meeting being reduced to nine races instead of 10. Despite some challenging economic circumstances, it has been a year of fantastic performance for the New Zealand thoroughbred racing and breeding industry both domestically and internationally. New Zealand bred horses won 47 Group 1 races this season, including 17 in New Zealand, 21 in Australia, and six in Hong Kong and one in each of Great Britain, Ireland and Singapore. New Zealand bred horses, horsemen and horsewomen are clearly recognised as some of the best in the world.

The Rangitikei racing club held two very successful meetings this season, with the November meeting showing a profit of \$12,475. The Bulls Country Cup, sponsored by Scully's Products, was won by Regal Governor, ridden by Sam Collett. Our main meeting in May saw the running of the James Bull Rangitikei Gold Cup which produced a profit of \$37,915 which was an excellent result as last season saw the unfortunate abandonment of the meeting after seven races. The race was won, this year by Dancing Jess, with the evergreen Noel Harris aboard.

The above results reflect the hard work of our committee and we are once again indebted to our sponsors for their continuing support of our race day meetings. Gerry Scully was put in charge of sponsorship this season and with his drive and enthusiasm we had a total of 90 Business House sponsors which resulted in the Silks Lounge being booked out for the day.

During the year, Matt Reid CEO of RACE and Haylee Mutch, our marketing and sponsorship person both resigned and on behalf of the club, I would like to take this opportunity to thank them along with Darin Balcombe, Brent Wall, Ryan Ayers, Chris Allen and the staff of RACE for the excellent work they do for the racing industry.

Finally the success of our race days would not have occurred without the dedicated efforts of the committee and I would like to acknowledge the endeavors of my committee and the ongoing support of their partners and wives. A special thanks to my vice presidents John Turkington and Gerry Scully. A great deal of voluntary time is contributed by the members to make the meetings successful and those contributions are greatly appreciated. I feel confident that the Rangitikei Racing Club is in a positive position and look forward to another successful and rewarding season.

**David Wilson**  
Club President  
Rangitikei Racing Club

## OTAKI-MAORI RACING CLUB (Inc)

On behalf of the Otaki-Maori Racing Club I would like to thank all our supporters this season. We are grateful to our sponsors and our members, without both it would not be possible for us to run our racedays in the current climate.

The season started with the tragic and sudden passing of our long time track Manager Harold Fulford, this came as a great shock to us all as Harold and his family who are still involved had been part of the fabric of the Otaki Racecourse for more than 30 years.

It has been another challenging year for the club, we are not blessed with an abundance of commercial racing dates, so every season is a challenge for the committee and staff to attract sponsors. But I would like to thank Haunui Farm for coming on board this season for three years sponsoring the Haunui Farm Otaki Maori Racing Club G1 Weight for Age Classic, our flag ship event. Special thanks to Shannon Taylor for all her help and support around the event. I would also like to make special mention of Pat Baker of El Cheapo Cars for his longstanding sponsorship of the Raukawa Cup, and Mark Benton from Mediaworks for his great support around radio promotion of our racedays.

The Haunui Farm WFA Classic was again a highlight for the club with Keep the Peace edging out Wall Street in a stirring finish. This was a great result given the February earthquake in Christchurch, with trainer Shaun Ritchie donating half his trainers percentage to the Earthquake appeal, a tremendous gesture. Congratulations to local Otaki trainer Karen Zimmerman and the connections of Barinka for their win in the NZ Thoroughbred Breeders Stakes Group 1 at Te Rapa.

The Summer Festival Raceday was again a highlight, with over 6,000 people on course on what was a tremendous day. This family race-day is fast becoming one of the most popular of the summer events on the Kapiti Coast. The Club also had a very successful Raukawa Cup raceday with turnover of close to \$100,000. The day started with a member's breakfast with 200 members and officials in attendance.

The club would like to also make special mention of our sponsors for the season Haunui Farm, The Dominion Post, Mediaworks, El Cheapo cars, Linework and Stones, Birdscapes Infrastructure, Equine and Farm Veterinary Services and Winning Edge Promotions. The club achieved an overall profit ahead of budget for the season, with the raceday account achieving a profit of \$94,297.

The Horowhenua Kapiti Community Trust was also set up this season with several stewards of the club, including myself, on the board. This trust was set up with the aim of getting the community minded events back to the venue and increase the usage of the racecourse and its facilities between racedays.

Thanks to all the stewards of the club and their partners for all their support and efforts through the season. Special thanks to Tom Jamison and Rangi Ransfield for their work on the RACE Board also, in what has been a difficult season. The club has challenges going forward with the new proposed dates' structure further eroding the commercial viability of our race-days but we will meet this challenge and continue to move forward.

## PRESIDENT'S REPORTS Cont.

### WELLINGTON RACING CLUB (Inc)

I mentioned in last year's chairman's address that the thoroughbred racing industry is currently facing many challenges. These problems have continued into the 2010/11 racing season and have presented the committee with many difficult issues to grapple with.

In recent times, with the appointment of an independent board for NZ Thoroughbred Racing, we are seeing some positive steps to try and address some of these problems and enhance the future of thoroughbred racing for the benefit of our stakeholders. This includes renewed growth in stakes and future investment in infrastructure for selected clubs.

The club has continued to make a substantial contribution to the RACE Group.

Our major carnivals – Christmas at the Races, Cup Carnival, Wellford NZ Oaks, Salute to the Stars and Grant Plumbing Wellington Steeplechase Days were all successful in terms of on course turnover and contribution to racing profit.

Our major races were won by quality horses – Jimmy Choux (the Wellington Stakes), We Can Say It Now (Captain Cook), Mufhasa (Telegraph), Spiro (Wellington Cup), Midnight Oil (Oaks) and Mr Align (Wellington Steeplechase).

It was also fantastic to have BMW's supporting the Fashion in the Field. Many thanks to all our sponsors who have continued to support Trentham in these difficult times, we value your partnership.

Investment in infrastructure is a challenge with a shortage of cash resources, however during the year the Birdcage has been resurfaced, the inside 10 metres of the track regressed and the Carbine Room has been renovated using equipment and fittings from the Overseas Terminal.

Trentham Gardens faced difficult trading during the year especially around its function income with a decline in the number of weddings and school balls. The focus has been

on holding more events at Trentham and the 'Concert for Christchurch' and Heretaunga Boxing running regular events has been a move in that direction. A number of new initiatives in the upcoming year should see an expansion in the events market, e.g.: Rugby World Cup Campervan site, outdoor concerts, trade shows and Friday night markets.

This year sees committee man Robert Lahman stepping down after having made a significant contribution to the Club. Many thanks Robert for your sterling effort on the committee.

It was with regret to learn of RACE's Chief Executive Matt Reid's resignation in June 2011. Matt had a special affinity with your club and was very passionate about the opportunities for Trentham. Matt's departure created uncertainty amongst the whole Trentham team, but time has been spent in creating an atmosphere of working closely together over the past few months with increased committee involvement. Warm and heartfelt thanks to the team for their significant contribution to a successful year,

I acknowledge the endeavour's of my committee, especially vice president David Butler who as a board member of RACE has put in an enormous amount of voluntary time in RACE and our Club's issues.

There are currently major problems facing the industry with declining turnover and breeding numbers. Sponsorship is difficult. However there is enthusiasm within the committee and the staff that we can 'box above our weight' and with good weather we can create a number of successful themed race days with top quality racing and great social occasions. We look forward to member participation in these events during the forthcoming season,

## RACING REVIEW

The RACE Group of Clubs were fortunate enough to have many of New Zealand's leading horses appear at all three venues during the last racing season. This saw some exciting racing action on all the tracks over its 38 racedays.

The first Group race for RACE occurred at Awapuni racecourse for the Marton JC. The Group Three, \$70,000 Merial Ancare Metric Mile always attracts a competitive field and SPARE A FORTUNE would show a clean pair of heels for jockey Sam Collett winning by two and a half lengths from Superturf.

The Wellington RC Labour weekend raceday was again hindered by a very wet track. With JIMMY CHOUX scratched from the Group 2 \$85,000 New Zealand Bloodstock Wellington Guineas, the race was left wide open. It would be the Cambridge trained BARSIDE that would take out the event for trainer Trent Busuttin. He would only have one more New Zealand start before being sold to overseas interests. In the Group Three \$70,000 Shinko King @ Paxton Park Cuddle Stakes it would be another Northern visitor in SHE RULES who would impressively win the race by three and a quarter lengths from the South Island mare ROYAL FLIGHT. The Listed \$45,000 Wellesley Stakes would also be won by a Northern raider in ANTONIO LOMBARDO who would go on to be one of the countries top 2YO's for the racing season.

The Feilding JC Cup raceday always has high quality racing and last year was no different. On the day BARINKA would take out the Courtesy Ford Red Craze Bowl in the hands of Hayden Tinsley from Jacks Point and FRITZY BOY in a blanket

finish. BARINKA would go on to take out the Group One NZ Thoroughbred Breeders in the Autumn for trainer Karen Zimmerman. The Listed \$45,000 Stockguard Feilding Gold Cup would be a popular win for Hunterville trainer Adrian Bull and BUTCH JAMES ridden by Robert Hannam.

In December the Group 1 \$200,000 Captain Cook Stakes would see 3YO filly in WE CAN SAY IT NOW back up from her Group One win in the Levin Classic eight days earlier and race away for an impressive win by four lengths. The quality of this field has now seen all warnings removed from it by the Graded Stakes Committee and backed RACE decision to move the race from October two years ago.

The three day Manawatu RC Christmas racemeetings was again plagued by bad weather but this did not stop quality horses winning over the carnival. On the first day the New Zealand Bloodstock Filly of The Year, KINGS ROSE would destroy a top field to win the Group Three \$70,000 Ezibuy

Eulogy Stakes in the hands of OPIE BOSSON. This was one of Bosson four winners on the days programme. Gallant in defeat were KIWI LADY, REMEMBA HOWE and ANNIE HIGGINS.

The second day of the carnival saw the track downgraded from Slow to Heavy during the day. The Group Three \$70,000 Hotel Coachman Manawatu Cup was won by the David Haworth & Matt Dixon trained TULLAROAN. Bred and raced by Christopher & Suzzana Grace he held out CASSINI in a driving finish. Two races later the tough campaigner FRITZY BOY would also be in a dogfight before winning the Group Three \$70,000 Higgins Challenge Stakes.

The Marton JC Premier raceday in January is always a good lead up to the Wellington Cup carnival. The Listed \$55,000 Gallagher Group Marton Cup was won by Cambridge visitor MR TIPSY who would go on to be favourite for the Century City Wellington Cup. Fifth in the Marton Cup would be eventual Wellington Cup winner SPIRO. DASOUDI would also earn herself a late entry to the Harcourt Thorndon Mile by taking out the Waikato Stud Handicap over 1400m in impressive fashion.

The Wellington Cup Carnival again saw New Zealand's top horses, jockeys and trainers converge on Trentham. The \$1million Telegraph Handicap would see New Zealand Sprinter of The Year MUFHASA in the hands of Sam Spratt defeat a top field, including three Australian raiders. Australian FIRST COMMAND would run second with COUP ALIGN third. VELOCA BELLA took out the Group Two Trentham Stakes run at WFA conditions for jockey James McDonald. This would be one of her last races in her career and she proved a class above them on the day. The Group Three Wellington Stakes would see New Zealand Horse of The Year JIMMY CHOUX toy with his opposition. Jockey Jonathan Riddell would hardly move on the horse before winning by one and a quarter lengths. The Group Two Wakefield Challenge Stakes would go the way of South Island raider SHUKA and the Listed Anniversary to ROXON for Australian jockey Michelle Payne.

Century City Wellington Cup day would see the rain arrive eventually at the end of the day, but not before some exciting action took place on the track. DATING would defeat a high quality field in taking out the \$70,000 Group Three Desert

*MUFHASA winner of the Telegraph Handicap*

Gold Stakes in the hands of James McDonald. The \$200,000 Group Two Century City Wellington Cup saw a very popular win to the Sylvia Kaye trained SPIRO. In the hands of Kane Smith he won by three quarters of a length over SIX O'CLOCK NEWS and LOOSE CHANGE. Sylvia Kaye and her husband Paddy identified this race as a long held ambition to win. The Group One Harcourts Thorndon Mile would see an upset win from BOOMING, providing Masa Tanaka with his first Group One win. While having won the Group One Zabeel Classic at his previous start, BOOMING started the race as a 17-1 shot and, aided by a wonderful ride, he would charge home along the rails to defeat DASOUDI and Eileen Dubh.

The Haunui Farm Otaki-Maori Group One WFA consistently rates as one of New Zealand's leading races during the season. This year's version would be no different with Group One winners earlier in the season in KEEP THE PEACE and WALL STREET fighting out a stirring finish before Cambridge visitor KEEP THE PEACE would give jockey James McDonald one of his six wins on the day's programme. Despite only having eight runners the race again came in amongst New Zealand's top ten races for the season.

The autumn arrived and the Wellington RC Ladies Day would be an all female affair with MIDNIGHT OIL providing

*BOOMING winner of the Thorndon Mile and Zabeel Classic*

apprentice Rosie Myers with her first Group One win in the Wellfield New Zealand Oaks. It had been a brave call by trainer Paul Duncan to leave Myers on the horse with many other leading hoops seeking the ride but Myers gave a perfect display in winning the race from ZENNISTA. Other winners on the day included HOLD IT HARVEY in the Rich Hill Thompson Handicap and VIKJA KING in the New Zealand St Leger.

The Manawatu RC Sires Produce raceday is billed as one of the best of the autumn and this year proved no different. The Oaks Stud Stallions Manawatu Sires Produce Stakes is the grand final for two-year-old racing. This \$200,000 Group One

event went right to the wire as all people on course waited for the judge to separate ANABANDANA and ANTONIO LOMBARDO with both jockeys unsure to who had won. In the end the brave filly ANABANDANA would get the win by the barest of noses. The Group Two \$85,000 Lawnmaster Awapuni Gold Cup would be impressively won by Southern raider HOLD IT HARVEY who burst clear halfway down the straight for an easy win. STARCHEEKA would appreciate the step up to a middle distance in winning the Group Three \$70,000 Oaks Stud Manawatu Classic and the promising GUISSPENIA would take out the Listed \$45,000 Fairdale/Goodwood Studs Flying Handicap.

Six days later Awapuni would see one of the autumn finds of the season in three-year-old SCARLETT LADY who took out the Handsome Ransom @ Wellfield Lodge Manawatu Breeders. This was her third win in a row, which she would stretch to six in the campaign when winning the Group One Queensland Oaks in June.

Winter racing would see DANCING JESS take out the James Bull Rangitikei Gold Cup at the Rangitikei RC May meeting. For her connections it was mission accomplished after going into the race last year as one of the favourite only for the meeting to be abandoned a race earlier. Jumping

*ANNABADANA winner of the Manawatu Sires Produce Stakes*

action would be of the highest quality. In June at Awapuni, PROPOSITION would win in the hands of Jonathan Riddell in the FMG Manawatu Steeplechase. The Manawatu ITM Awapuni Hurdle would have plenty of thrills and spills but Woodville trained VICTORY MORGAN would give Shane Brown the biggest win of his short career to date. In July HONEY from the Kevin Myers stable would take out the Wellington Hurdles and MR ALIGN would impressively win the Grant Plumbing Wellington Steeplechase for trainers Graeme & Debbie Rogerson.

## SPONSORSHIP, MARKETING & EVENTS

With a sea change in the business environment, partner commitments in support of racing and associated event activity have been an essential component of successful racedays. Retaining and growing partnerships is fundamental to the accomplishments and effectiveness of RACE. We are very grateful for the contribution from our stable of supporters.

## FINANCE REVIEW

**RACE has achieved an operating profit of \$543,706 before extraordinary expenses, impairment and depreciation for the financial year to 31 July 2011. This compares to a \$659,563 operating profit last year.**

Extraordinary expenses total \$156,884, which gives an overall profit of \$386,822 before depreciation, impairment and share of partnership losses. Whilst \$168,116 down on last year's profit, the result beat budget and is still a notable achievement in what continues to be a very difficult trading environment.

### RACEMEETING STATEMENT

The \$1,975,487 surplus from racing was a great result given the current industry challenges and declining tote turnovers - total wagering on all RACE meetings was down \$5.1m on last year (<9%). Although the result was well below last year's profit of \$2,362,834 it was still \$59,024 better than budget. Both the Awapuni Christmas Carnival and Wellington Cup Carnival were impacted to various degrees by bad weather; however both produced good results, accounting for nearly \$800,000 of the entire racing profit for the year. RACE paid out a total of \$7,811,345 in stakes this year, up \$155,432 on last year.

### CATERING

Creative Catering had a stellar year, breaking through the \$2million turnover barrier for the first time. The Awapuni Function Centre is well and truly realising its potential as the best function centre in the central region. Profitability is also well up, generating a net return to RACE of \$170,887 (half share).

Trentham Gardens result suffered on the back of very poor function bookings which were down 47% on the previous year. Raceday turnover held strong at a similar level to 2010. However there is no hiding the fact that the lack of function activity impacted on the bottom line, which at \$61,067 was down \$71,577 on last year.

### GRAND OAKS DEVELOPMENT

Six Grand Oaks sections have sold in the last 12 months. Five have been realised in the current year (one last year). There are 17 of the original 29 sections remaining and with building activity in the area strong we are receiving enquires most weeks.

In addition to the Grand Oaks sales we sold two other properties during the year. The Awapuni ex-caretakers house on Totara Road was sold along with an esplanade strip along the Mangone Stream to the Palmerston North City Council.

### TRACK AND TRAINING

Total net track and training costs amounted to \$172,940, \$9,350 higher than last year however \$25,000 worth of

sand was put on the Awapuni track during spring which was not done last year. The application of sand will be on-going. An encouraging sign was total track fees for the year were \$325,820, up \$23,437 on last year.

### FINANCING COSTS & DEBT POSITION

RACE's total financing costs for the year were \$638,230, up \$69,561 on last year. The average cost of funds for the year was around 6% compared to less than 5% for 2010. RACE was very fortunate the Official Cash Rate remained historically low throughout the year and we continue to benefit from this. We have however forecast rapid rate rises from early 2012 in our 2011/2012 budget.

RACE retired over \$1.1m of debt during the year on the back of the six Grand Oaks section sales.

### CAPITAL EXPENDITURE

RACE had \$274,000 of capital expenditure during the year, of which \$193,000 was budgeted. Included in this was a new roof for the Awapuni Eulogy Room (\$96,000), Otaki tractor (\$50,000), Otaki mower (\$24,000), Awapuni track manager house renovations (\$18,000), Trentham birdcage surface upgrade (\$17,000) and a replacement Awapuni track manager ute (\$14,000).

### CASH FLOW STATEMENT

The most important aspect of running a business is cash flow. The Cash Flow Statement presented on page 25 gives an indication as to just how tight things are at present. The fact that RACE only managed a cash surplus for the year of \$42,442 on a turnover of nearly \$18m should highlight that fact. Net cash flows from operations were \$571,431 compared to \$897,776 last year.

### BALANCE SHEET

Cash on hand/bank accounts at balance date total \$451,342 which as stated above is \$42,442 above the level at 31 July 2010.

Stock on hand at balance date is high compared to last year. This relates to over-ordering for the Wellington Cup Carnival and the fact rain half way through cup day severely impacted sales. Whilst a large quantity of stock was returned there is still a quantity on hand and the Trentham Gardens management team is working to manage this down accordingly.

As discussed debt has been reduced by just over \$1.1m to \$11m as at 31 July 2011.

## AUDITOR'S REPORT

**COTTON KELLY**  
AUDIT & ASSURANCE

### INDEPENDENT AUDITOR'S REPORT

*To the Members of Racing at Awapuni Combined Enterprise Inc (RACE)*

We have audited the financial statements of RACE, which comprises of the statement of financial position as at 31 July 2011, the statement of financial performance, the statement of changes in equity and cash flow statement for the year then ended. These include a summary of significant accounting policies and are prepared in accordance with Section 28 (2) of the Racing Act 2003.

#### *Boards' Responsibility for the Financial Statements*

The Board is responsible for the preparation and fair presentation of these financial statements in accordance with generally accepted accounting practice in New Zealand and for such internal control as the Board determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### *Auditor's Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing (New Zealand). Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other than in our capacity as auditor of Wellington Racing Club, Rangitikei Racing Club, Otaki Maori Racing Club, Manawatu Racing Club, Marton Jockey Club and Feilding Jockey Club, we have no relationship with, or interests in, RACE.

#### *Opinion*

In our opinion, the financial statements present fairly, in all material respects, the financial position of RACE as at 31 July 2011 and its financial performance and cash flows for the year then ended, in accordance with generally accepted accounting practice in New Zealand and Section 28 (2) of the Racing Act 2003.
